

INSPIRING SUCCESS IN & OUT OF THE CLASSROOM

J.M. Tull-Gwinnett
Family YMCA
Y Afterschool
2023-2024
Parent Handbook

The following policies and procedures are minimum guidelines set to provide for a positive, healthy, safe, energetic, and fun environment for the children entrusted in our care.

You Belong Here.

WELCOME

Thank you for choosing the YMCA for your child's Afterschool Program. We look forward to providing your child with afternoons filled with fun, adventure and learning while in a safe and positive environment. The Y is dedicated to creating programs that teach and encourage healthy lifestyle choices and that nurture and enrich your child's life.

Our programs are designed to offer each child many opportunities for intellectual, physical and social development. Children take part in a wide variety of group and individual activities including art, enrichment components, homework time and sports. We offer a quality program that includes planned activities to complement the school experience. Our highest goal is a warm, safe and caring atmosphere for children.

YMCA staff members are here to support both children and parents. This handbook will acquaint you with the procedures and policies of this program. We believe in open communication among students, parents and Y staff. We invite you to share your questions, areas of interest, hopes, fears and concerns with us. We are here to support both our students and parents to ensure your child's success and well-being.

Thank you for allowing us to be part of your child's learning experience. We look forward to this new adventure!

Olivia Chandler

Y LEADERSHIP & CONTACTS

Each Y Afterschool Program site has a Site Director and a staff of counselors to care for the children and implement the program. In addition to this part-time site staff, we have full-time YMCA Director, who support and supervise each of the Y Afterschool programs. We also have a registrar who manages registration, scholarships, cancellations, and more! We are available to assist you with any of your Y Afterschool questions or specific needs.

PROGRAM HOURS

Y Afterschool is a full-time program that offers after school care during the school year (August – May), Monday – Friday on school days from school dismissal until **6:30 pm**.

ENROLLMENT

The Y Afterschool Program is **offered to children grades Pre-K through 5th** who attend a school in which the program is available. Enrollment may be limited due to constraints of space and staffing. The monthly cost varies based on the number of weeks in the month.

UPDATED ENROLLMENT INFORMATION

Parent/guardians are required to update all information on their child's online account when changes occur. This includes changes in authorized pick-ups, parent/guardian status, addresses, phone numbers, special needs, allergies, etc. In addition, new participants are required to turn in the paper registration document to their Site Director on the child's first day of attendance, along with immunization record. Returning participants who completed the 2022-2023 registration packet need to complete a verification form, reviewing the information on last year's packet and making any needed adjustments. Returning participants also turn in the most recent copy of their immunization records.

IMMUNIZATION RECORDS

As a state licensed child care facility, we are required by the Department of Health to have a copy of the most recent GA Form 3231 immunization record for your child. Please make sure your child has received all required screenings prior to registration. For the safety of all participants and staff, children who have not received all the necessary health screenings will not be able to participate in the program until their health records are up-to-date.

SPECIAL NEEDS

In order to best meet the special needs of your child, we do require that you set up a meeting with the Program Director before enrolling your child. Please contact the Program Director, Olivia Chandler, at OliviaC@ymcaatlanta.org or 770.963.1313 to schedule a meeting. It is very important that parents inform of us any and all special accommodations that your child may require (i.e. dietary, medical, physical, emotional, etc.). Our goal is to serve all safely, we will strive to make accommodations necessary to do so.

OUR COUNSELORS – 1:18 RATIO

Recruiting, selecting, training and supporting staff are essential, interrelated processes in ensuring the success and integrity of Y programming. The staff is selected for personal qualities of warmth, empathy, and ability to relate positively to children. They receive training in many areas: CPR/First Aid, Risk Management, Child Abuse Prevention and numerous activities including arts/crafts, games, group team building and much more. Background checks and drug tests are conducted on all staff and volunteers. This includes criminal record checks and reference checks. Each staff person is also a

mandated reporter. Our staff to child ratio will be 1:18 or less to ensure focused attention and the ability for each group to maintain health and safety standards.

FINANCIAL ASSISTANCE

As a non-profit organization, the YMCA provides financial assistance to families in need, enabling them to participate in Y programs. Financial assistance is made possible through generous donations to the WHY IT MATTERS Annual Campaign by members, volunteers, staff and our community. However, financial assistance is limited and the amount of assistance is determined by family income and other factors. For more information, please contact your Y Afterschool Director.

The YMCA accepts third party payment from organizations that help families in need. An agreement must be in place between the designated organization and the YMCA prior to the child's start date in the program. If applying for CAPS, we recommend that you do so two months prior to your child's anticipated program start date. If you have applied and are awaiting a response from your CAPS Case Worker, please let your Program Director know.

If your child qualifies for free or reduced school lunch, please provide documentation to the Y and your child's fee will be automatically reduced to \$55/week.

Please note that each family may only use one form of financial assistance.

ATTENDANCE

Once registered, your child will be expected to attend the program each day. Y staff will take attendance within the first 10 minutes of the program. Please email your Y Afterschool Director (see page 2) if your child will not be attending Y Afterschool on a particular day. In addition, notify your school that your child will have a change of dismissal plan.

SCHOOL BREAK CAMP

The YMCA will provide care from 7:30 am – 6:30 pm at the branch during most school breaks and teacher workdays. There is an additional fee and registration required to participate in these camp days. Please note that registration in the Afterschool Program does not guarantee a space in camps as they are separate programs. Please visit ymcaatlanta.org/activity-finder to reserve your child's spot.

EMERGENCY CLOSINGS

If the school closes at any time due to emergencies (i.e. weather, power failure, building emergency), Y Afterschool will not be provided that day. Please pay attention to your school district's communication channels for closing announcements. In instances when the school district announces early dismissal or cancellation of afterschool activities, parents are responsible for contacting the school to let them know how their child will be traveling home.

FEES

Y Afterschool fees are as follows:

- \$50 for an Annual Program membership OR the child must be included in a Facility Membership.
- Registration is completed by registering for the school year by filling out the packet in the branch. You may choose weekly or monthly auto-charge during the initial registration.
- A deposit may be required to reserve your child's space for the year.

PAYMENT POLICIES

- Payments can be made by auto draft or by invoice.
- The YMCA accepts Visa, Mastercard, American Express and Discover for payments.
- Three days of Y Afterschool attendance = Full week payment
- Your payment may be pro-rated only if your child is absent from the program for three or more days in any given week due to illness. Please submit request for credit with a note from your child's doctor within 30 days. Approval for pro-rating must be given by the Afterschool Director or the Associate Director.
- Participants are only able to start Afterschool on Mondays. You must be registered by noon the Friday before you would like your child to begin the Y Afterschool program. If there is a special circumstance that requires a start date after Monday, please contact your Afterschool Director.

CANCELLATION POLICY

A two-week written notice of withdrawal must be received by the YMCA two weeks prior to the last day of attendance. Please indicate the reason for withdrawal on your notice. Please note that you are responsible for payment until the notice is verified by the YMCA. If there are any questions or concerns about withdrawing your child, please contact your Afterschool Director.

LATE PICK-UP FEES

Sites close promptly at **6:30 pm**. If your child is left after closing time, YMCA staff will attempt to contact parents first and then will proceed to the listed emergency contacts. A late fee of \$1 per minute per child will be assessed. The YMCA will contact local authorities for support if any child is not picked up within 30 minutes of programs close and emergency contacts cannot be reached.

CUSTODY CONCERNS

If there is a parent/guardian who is not, or is no longer, authorized to pick up your child, it is the responsibility of the guardian listed as the Head of Household to provide the YMCA with the most current legal documents confirming this information. The YMCA will abide by the legal documents provided. If the parent/guardians are unable to settle disputes relating to childcare, we reserve the right to dis-enroll your child until the proper documentation is received.

RELEASING CHILDREN FROM THE PROGRAM

All children must be signed out daily by an authorized adult over the age of 18. The Y will only release children to their parents or those persons listed on their enrollment form as authorized. If you need to make changes to the list of people authorized to pick up your child, please do so in by logging in to your Y account at ymcaatlanta.spiritplus.net. Each and every day, we will ask for a picture ID and check the authorization for the release of the child. If the person is not authorized to pick up the child, the child will not be released.

PARENT INVOLVEMENT

Parent support is critical to the success of the program. The YMCA recognizes and values parents in our programs. Daily communication with staff is very important. Please share with us how we can support and encourage your child. Family events or activities may be scheduled during the semester. Look for event information on our social media channels, email newsletters and special invitations sent home. In addition, donations of supplies for our outdoor play and arts & crafts areas are gratefully appreciated.

AFTERSCHOOL COMPONENTS

Engaging curriculum developed in partnership with Mount Vernon Ventures including:

- Monthly themes
- Imagination Stations
- Afterschool clubs
- Specialized program activities
- Career exploration
- Healthy living components and activities
- Homework time with assistance
- Healthy snack

The YMCA has partnered with WINGS to build foundational life skills in all children by integrating social emotional learning in afterschool programs.

WHAT TO LEAVE AT HOME

Children should avoid bringing personal items to the Afterschool program. The YMCA is not responsible for these items. Things can be lost, borrowed or broken.

- Playing cards, gum, candy
- Firearms, weapons of any kind (including pocket knives)
- Valuables
- Toys
- Sports equipment
- Electronics (phones, tablets, gaming devices)

EXTRA CLOTHES

Children will be responsible for changing out of their soiled/dirty clothing and cleaning themselves if an accident occurs. Children will be assisted at bathroom time if needed. However, if a child cannot clean themselves adequately or does not have a change of clothes, parents may be notified. Please be advised that soiled clothing will be placed in a plastic bag and underwear thrown away unless otherwise directed by the parent. YMCA staff cannot wash your child's soiled clothing. Please pack extra clothes in case of any incident.

LOST AND FOUND

We will not keep a lost and found area. Any item found that is labeled with your child's name will be returned to your child's group. Found items that are not labeled will be donated to charity.

POSITIVE CHILD GUIDANCE MODEL

Our Y Afterschool environment is designed for children to grow and learn. As such, we believe that discipline should be a learning experience with important teachable moments. Our goal is to be proactive and preventive in our positive behavior management procedures. This involves setting clear and consistent expectations, understanding of consequences, positive redirection, accountability/follow-through, and positive reinforcement.

The following steps will be taken when behavior expectations have not been met:

1. Redirection and encouragement to choose a different behavior.
2. Verbal warning, temporary break from activity for reflection with child regarding the behavior choice made, exploration of why the choice was made, identifying alternative choices they can make in the future.
3. Verbal communication between parent and staff.
4. Withdrawal from the activity for the day.
5. If behavior is repeated following a conversation with the parent, the child may be suspended from the program for 1 to 5 days. At this time, a behavior contract may be required in order to return.
6. If behavior persists, suspension will be extended for 1 week and a written behavior contract will be drawn up with the child. The parent/guardian and child will be required to meet with the Site Director and/or Program Director before returning.
7. If the behavior contract is broken or if the child's behavior continues to be disruptive, violent or unsafe, dismissal from the program may result.

Our priority is to keep all children physically and emotionally safe. If a child's behavior is threatening the safety of themselves or others in the program the Site Director or Y Program Director may move directly to step 5. Fighting, hitting, or violent behavior can result in immediate dismissal from the program.

COMMUNICATION

Regular communication between parents/guardians and Y staff is essential in providing a well-structured, high quality experience that meets the needs of each child. In addition to written communication you receive from the YMCA, we encourage all families to communicate regularly with Y staff to ensure we are meeting your child's needs and your expectations. It is important to keep the staff informed of any changes occurring in your child's life that may affect their behavior or mood. These changes may include, moving, hospitalization, long term illness or death of a family member, physical changes, separation or divorce, or issues at school. Parents are welcome to use either mail or phone to communicate with the Y staff.

Meetings and conferences with the YMCA staff are sometimes necessary to best meet the needs of your child. These meetings can be initiated by you or the YMCA. If you are interested in having a conference please see your Site Director. We encourage you to address concerns and make suggestions directly to your Site Director. If your child is receiving special support services during the school day and it would be beneficial for the school and Y staff to be able to discuss specific challenges, concerns and/or strategies, the Site Director will work with the parent and school to obtain appropriate permissions. If you feel that your concerns or suggestions have not been addressed, or you need support in addressing them, please feel free to contact the Program Director. We encourage you to share your positive feedback directly with the Y Afterschool Program staff and with the Program Director. Remember that the YMCA is responsible for the Y Afterschool Program, not your school administration. Any issues related to Y Afterschool should be brought directly to the Y Staff. Issues brought to the attention of school administrators will be referred back to the YMCA. The YMCA will confer with your school principal on a regular basis.

BULLYING POLICY

Bullying is not an isolated incident. Each child entering our program will attend an afterschool orientation on the first day of the session where staff will discuss expectations, our behavior policy and the **zero-tolerance policy** against bullying that discriminates against other participants or staff. Parents will be notified through an incident report, phone call or email if their child is involved in a reported incident. To be successful with this aspect of our community, we will deliver age-appropriate activities that encourage and develop listening skills, working together and understanding others. We are committed to ensuring that our children have the opportunity to learn, grow and explore in an emotionally safe environment designed to build self-confidence and teach responsibility. If a child cannot adjust to these rules and expectations, we reserve the right to terminate the child's enrollment in the program.

FIRST AID, ACCIDENTS & INJURIES

YMCA staff are First Aid & CPR certified and have been trained in emergency procedures. We will call you or your emergency contact to notify of a minor accident or injury.

Although we take every effort to keep the children in our Y Afterschool Program safe at all times, accidents and injuries are a normal part of childhood. Should your child become injured during afterschool the following steps will be taken:

- **Minor injuries** (scrapes, bumps, bruises etc.) will be cleaned with soap and water and treated with

Band-Aid or ice pack as needed. You will be notified of the injury at pick-up time.

- **Head injuries** – Due to the possible implications of head injuries we will treat all head injuries as a serious matter. The staff will monitor the child for signs of a concussion and will provide ice if needed. Parents/guardians will be notified immediately of a head injury.
- **More severe injuries** – If a child should suffer a more severe injury, we will attempt to contact a parent/guardian before seeking professional medical attention. If we are unable to reach a parent/guardian, we will call emergency contacts. If these steps are unsuccessful, we will seek professional medical attention and continue our attempt to reach parents.
- **Emergencies** – If a child should need immediate medical attention, we will contact 911, parents/guardians, and the YMCA offices. If the child is transported by ambulance, they will be accompanied by the Site Director. If we are unable to reach parent/guardians, we will contact the child's physician, emergency contacts as listed, and continue our attempts to reach a parent/guardian. We will immediately notify the parent of the hospital to which the child is being transported.

MEDICATION

Y staff can administer prescription medication when we receive all appropriate medical forms. All prescription medication must be in the original container with the pharmacy label. All over-the-counter medication must be in the original packaging and clearly marked with your child's name. After registration you will be provided with additional information in case your child needs to receive medication during afterschool.

OTHER EMERGENCIES

Each site has developed emergency procedures for fire, tornado, lock down situations, and other emergencies. Plans for handling fire, floods, tornadoes, severe weather, intruders, lost/missing children, injuries/illnesses are covered during staff training prior to the start of Afterschool. These procedures are reviewed regularly.

HAZARDOUS MATERIAL

The Y is committed to offering a safe and healthy workplace. Employees are trained in hazard awareness (GHS Training) to ensure they are fully informed and aware of any chemical hazards in the workplace. Hazardous Material is kept locked up and away from children at all times, not pertaining to hand sanitizer and disinfectant wipes. The Y makes available Safety Data Sheets (SDS) for all products used at the facility.

SUSPECTED CHILD ABUSE AND NEGLECT

As professional child care providers we are mandated by law to report any suspicion of child abuse or neglect. Staff will report all suspicions directly to the Y Program Director prior to calling the State of Georgia Department of Human Resources, Child Protection Agency (DFCS), to file a report within the time required. If you as a parent/guardian have any concerns regarding the treatment of your child by a staff member, you should notify the Y Program Director immediately.

YMCA STAFF AS BABYSITTERS

Y Staff are not permitted to babysit for children outside of Y programs. Staff also understand that all parent packets discourage parents from using YMCA staff for babysitting.

PICTURES & VIDEOS

Periodically, the YMCA takes pictures and/or videos of children and activities for newsletters and for the promotion of programs in brochures or presentations. If you do not want your child's picture to be used, please complete the refusal form and return it to your Site Director.

.
